THANK YOU FOR INVESTING IN THE NEXT GENERATION OF LEADERS!

HEAR FROM OUR FOUNDERS

Honoring Jason. Creating Opportunity. Building a Legacy Together.

Dear Friends, Partners, and Members of Our Community,

The Ritchie Hockey Foundation began with something deeply personal to our family: a desire to honor Jason and ensure that his memory, his spirit, and his love of hockey would continue to make a difference in the lives of others.

What began in Jason's honor has grown into something far greater than we ever could have created on our own.

Through the generosity, compassion, and commitment of so many people—friends, families, sponsors, donors, volunteers, coaches, and members of the hockey community—the Ritchie Hockey Foundation has persevered and continued to grow. Every person who has supported this Foundation has helped carry Jason's legacy forward, and for that, we will always be incredibly grateful.

For our family, hockey has always been about much more than what happens on the ice. It is about the relationships you build, the confidence you gain, the lessons you learn, and the feeling of belonging to something bigger than yourself. We have seen the profound impact this game can have on a young person's life, and we believe every child should have the opportunity to experience it.

Today, that belief drives the work of the Ritchie Hockey Foundation.

Our mission is to help remove the barriers that can prevent young athletes from participating in hockey and to create opportunities for them to play, grow, and thrive. The costs associated with equipment, ice time, registration, training, and participation can make the game inaccessible to many families. With the support of our community, we are working to change that.

But what we hope to provide goes far beyond access to the game.

When we help a young person step onto the ice, we are also giving them the opportunity to learn perseverance, teamwork, accountability, discipline, and confidence. We are helping connect them with coaches who can become mentors, teammates who can become lifelong friends, and a community that reminds them they are supported and that someone believes in their potential.

That is the legacy we hope to continue building in Jason's honor.

And the most meaningful part is that **this legacy belongs to all of us.**

Every sponsor who partners with the Foundation, every donor who makes a gift, every volunteer who gives their time, and every person who attends an event or shares our mission helps ensure this work continues. The Ritchie Hockey Foundation has persevered because people like you have believed in what it represents and in the young people whose lives we have the privilege to impact.

As we look toward 2027 and the future of the Foundation, we are filled with gratitude for how far this community has brought us—and excitement for how many more young people we can reach together.

When you support the Ritchie Hockey Foundation, you are doing more than sponsoring an event or making a donation. You are helping preserve a legacy while creating a future for another young person. You are helping put teammates beside them, mentors in their corner, and opportunities in front of them.

What started as a way to honor one very special life now gives us the opportunity to positively influence so many others. There could be no more meaningful way to carry Jason's memory forward.

From our family to yours, thank you for standing beside us, for helping this Foundation thrive, and for continuing to believe in the power of hockey to change lives.

Jason's legacy started this Foundation. Your support allows it to live on. Together, we will continue changing lives through the game he loved.

With our deepest gratitude,

Bob & Donna Ritchie
Founders, Ritchie Hockey Foundation
