2020 Sponsored Student

JERRY **TARKIAINEN**

Jerry Tarkiainen, is a native of Valkeala, Finland, currently residing in Tampa until 2021 because of a family military assignment. He is a talented and passionate goalie who has been playing hockey since the age of 9. Prior to moving to the USA, he was selected Goalie of the Year two consecutive years by his former club. Jerry has truly enjoyed the opportunity to experience American hockey culture, which is quite different from what he has been used to, and believes the experience will be helpful in both hockey and life.
