## 2023-2024

- Her goal is to make the USA Development Team this summer
- She is part of the first girls team to attend The PeeWee Internationals Tournament in its 63 year history
- In her words, "Hockey is my heartbeat of life. It's my one safe pace where nothing else matters but saving pucks. My team is my family. They have helped me through rough times and we support each other, win or lose."
